Mr. Lynch,

The Berwyn District Civic Association neither endorses nor opposes the proposed Chick-Fil-A restaurant at the Cass property on RT. 1 in College Park. Community opinion can be garnered by coming to a BDCA meeting and presenting the proposed plan to the BDCA membership. The informal informational meetings that have occurred with you, Chick-Fil-A and BDCA leadership have been simply informational. None of us spoke for the BDCA or the community.

Please accept our invitation to present your plan to the BDCA on Thursday, March 16, 2017 or Thursday, April 20, 2017.

Thank you,

Christy Dollymore
President of the Berwyn District Civic Association
