Dear Mayor & City Council,

Many Berwyn residents are quite concerned with the ongoing challenge of helping local businesses thrive in the Berwyn district retail zone. Hence, the College Park Berwyn District Civic Association (BDCA) board members unanimously support the city's effort and the bill (Bill number: PG309-13- Alcoholic Beverages- City of College Park – Sales by License Holders) that would give a local restaurant the ability to apply for an alcoholic beverage license. Specifically the BDCA supports the idea of allowing a change in the law to reduce the required number of feet from 1,000 feet to 300 feet for an establishment to get an alcoholic beverage license in a building located near a school.

We really appreciate and support the City's efforts in getting PG 309-13 passed and please let us know if there is anything else we can do in support of this legislation.

Sincerely,
