

Mayor and Council  
City of College Park Maryland  
4500 Knox Road  
College Park, MD 20740

May 25, 2015

The BDCA respectfully requests the city of College Park Mayor and Council send a letter to the Prince George's County Council expressing opposition to the referendum pertaining to the county Executive's proposed 15% property tax increase that has been proposed in Executive's FY 2016 budget.

The BDCA, at its regular monthly meeting held on May 21, 2016 voted in support of this request after a well debated motion was brought before the assembly. The prevailing opinion of those present is that not only is the 15% property tax excessive, it blatantly evades the spirit and letter of law of the Tax Reform Initiative by Marylanders (TRIM) which was overwhelmingly passed by voters, and upheld through multiply challenges over the past three decades.

Sincerely,

Kevin Young, President
