## OCTOBER MEETING OF BERWYN CIVIC ASSN. OCTOBER 16, 1980

The Berwyn District Civic Association will hold its October meeting in Fealy Hall on October 16, 1980 at 8 p.m. The meeting will address the issue of the proposed amendments to the Prince George's County Charter that propose to alter the size of the County Council.

Spokespeople from each of the three alternatives as well as for the status quo have been invited to come and present their views and answer questions.

The Civic Association is an organization that represents the interests of the residents of the community in many areas such as zoning and legislation that affects Berwyn at the local, county and state levels. The monthly meeting provides a forum for members of the community to bring items of concern to them before other members of the Association for discussion and possible development of an Association position.

Residents of Berwyn are encouraged to attend. Meetings of the Association are open to the public and the press.
